

This is SMART !

Benefit from a logistics service subscription that exactly meets your needs!

In order to meet your individual needs for logistics services, we have developed Hilti SMART – a logistics service subscription that offers you extensive benefits.

- ✓ Three different service subscriptions
- ✓ Variable cost management
- ✓ Unlimited use of our delivery services, depending on subscription⁽¹⁾
- ✓ Easy registration – enjoy benefits immediately

Here's how you can start :

1) Choose the Hilti SMART subscription that meets your individual requirements.

2) Take out your Hilti SMART subscription conveniently via www.hilti.nl and **secure** the price advantage with an annual subscription.

3) Benefit immediately from the advantages of your Hilti SMART subscription.

- (1) A subscription is always valid for a customer account with a specific customer number. Separate subscriptions can be taken out for additional customer accounts. The service offer is valid for shipping within Netherlands. Shipping costs for custom-made products and direct deliveries to large project business are excluded.
- (2) For all logistics services, subject to the agreements under the Hilti SMART Logistics subscription, the following apply in addition: conditions of the [logistics service catalog](#)

This is SMART !

Your advantages

Benefit from Hilti SMART for just €24.90 per month or €249 per year!

Save on shipping costs with the SMART service packages that interest you.

Save even more with a SMART annual subscription!

CLICK & ORDER

You can select the subscription that suits you best at any time via Hilti Online.

TRANSPARENT

Keep an eye on your expenses at all times. With Hilti SMART you have full control over your shipping costs.

UPGRADE POSSIBLE

Adapt your Hilti SMART monthly subscription to your needs, for example by upgrading.

Unlimited use of our shipping services for your Hilti orders

Reliable logistics services are needed to work efficiently and meet both routine and urgent demands. Hilti provides a wide range of shipping options to ensure you receive your order exactly as your project requires, bundled conveniently within the various Hilti SMART service packages.

Regular Jobsite delivery needed? go PREMIUM!

With the Premium subscription you benefit from a pre-15PM delivery window and to book a telephone advance notice from the delivery driver for your orders.

Regular Long goods or Express delivery needed? go ULTIMATE!

With the Ultimate subscription you benefit from all available services. Even long goods deliveries and Express pre-12AM delivery window are covered.

Exceptions can be covered at any time

If you ever need an occasional shipping service that is not included in your subscription, you can book it at any time. You only pay the surcharge for the corresponding service.
